(note: This list only includes ESSA programs with LEA plan requirements; not all ESSA programs.)

In the following pages, ONLY complete the sections for the corresponding programs.

Instructions

The LCAP Federal Addendum is meant to supplement the LCAP to ensure that eligible LEAs have the opportunity to meet the Local Educational Agency (LEA) Plan provisions of the ESSA.

The LCAP Federal Addendum Template must be completed and submitted to the California Department of Education (CDE) to apply for ESSA funding. LEAs are encouraged to review the LCAP Federal Addendum annually with their LCAP, as ESSA funding should be considered in yearly strategic planning.

The LEA must address the Strategy and Alignment prompts provided on the following page.

Each provision for each program must be addressed unless the provision is not applicable to the LEA.

In addressing these provisions, LEAs must provide a narrative that addresses the provision **within the LCAP Federal Addendum Template.**

Under State Priority Alignment, state priority numbers are provided to demonstrate where an ESSA provision aligns with state priorities. This is meant to assist LEAs in determining where ESSA provisions may already be addressed in the LEA's LCAP, as it demonstrates the LEA's efforts to support the state priorities.

The CDE emphasizes that **the LCAP Federal Addendum should not drive LCAP development.** ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. **LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources;** however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

This template is designed to be used by LEAs who already have completed their LCAP Federal Addendum and received approval from CDE. This template will support LEAs with the review of their LCAP Federal Addendum and revision.

The review and revision of the LCAP Federal Addendum do not need to be submitted to CDE for approval. However, an LEA should have their local Board approve any revisions.

Even if the LEA plans to transfer all of its title funds, it must still address all of the provisions of the title from which it is transferring its funds. The LEA must first meet the application requirements of those funds before it can elect to transfer those funds to another title.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. This LCAP Federal Addendum provides LEAs with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for LEAs to innovate with their federally-funded programs and align them with the priority goals they are realizing under the state's Local Control Funding Formula (LCFF).

LCFF provides LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The LCAP planning process supports continuous cycles of action, reflection, and improvement.

Please respond to the prompts below, and in the pages that follow, to describe the LEA's plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs as described in the LEA's LCAP.

Strategy

Explain the LEA's strategy for using federal funds to supplement and enhance local priorities or initiatives funded with state funds, as reflected in the LEA's LCAP. This shall include describing the rationale/evidence for the selected use(s) of federal funds within the context of the LEA's broader strategy reflected in the LCAP.

The Fall River Joint Unified School District's major goal in the LCAP is to strive to get 100% of our students to graduate "College and Career Ready," with an underlying goal of having all students become proficient in the areas of English Language Arts and Mathematics on the SBAC assessment. A secondary goal is that Federal funds are used to assist all students to gain additional proficiency as measured by the SBAC, ELPAC, and various local assessments/measures. The district is using federal funds to achieve this goal in the following ways:

- 1) ELA literacy. Both elementary school sites have a reading specialist teacher who offers intervention reading instruction to identified students and resources to classroom teachers. A Title I coordinator is also partially funded through these federal dollars.
- 2) Transportation: This is partially funded for students whose families have determined a different school of choice for their child. These federal dollars are used to pay for the cost of transporting students to another district school. It is also used to ensure that district students are able to find transportation to their local schools.
- 3) Assessments and testing supplies: Identifying and implementing instructional strategies, based on assessment results, will help improve student learning. At-risk students will be identified and targeted to receive additional support.
- 4) Classroom supplies: Daily planning materials, including agendas and calendars, are provided to assist with student executive function skills.
- 5) Foster Youth Training: District personnel attend professional development training to gain and understand ways to better support our foster youth students' needs.

The LEA uses funding provided from Title II, Part A, to pay for a percentage of an elementary teacher's salary. This helps keep class sizes below the Class Size Reduction ratio. Smaller class sizes allow teachers to provide more individualized instruction and to address achievement gaps and provide intervention activities for low performing students.

Alignment

Describe the efforts that the LEA will take to align use of federal funds with activities funded by state and local funds and, as applicable, across different federal grant programs.

The LEA offers reading intervention programs by funding a Title I Reading Specialist Teachers at both elementary sites. Intervention strategies for low level students in the area of ELA are also implemented. Due to the high percentage of qualifying students, these programs meet various needs of many students, not simply identified ones. English Learner students receive support through the LCAP as well. Classroom and assessment supplies are also purchased with Federal funds. All Federal expenditures are directly aligned with State and local funds.

ESSA Provisions Addressed Within the LCAP

Within the LCAP an LEA is required to describe its goals and the specific actions to achieve those goals, for each of the LCFF state priorities. In an approvable LCAP, it will be apparent from the descriptions of the goals, actions, and services

how an LEA is acting to address the following ESSA provisions through the aligned LCFF state priorities and/or the state accountability system.

The poverty criteria used to select school attendance areas is based on the number of students who are eligible for free/reduced meals, based on the National School Lunch Program.

ESSA Provisions Not Addressed in the LCAP

For the majority of LEAs, the ESSA provisions on the following pages do not align with state priorities. **Each provision for each program provided on the following pages must be addressed** unless the provision is not applicable to the LEA. In addressing these provisions, LEAs must provide a narrative that addresses the provision **within this addendum**.

As previously stated, the CDE emphasizes that the LCAP Federal Addendum should not drive LCAP development. ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. **LEAs are encouraged to integrate their ESSA funds into their LCAP** development as much as possible to promote strategic planning of all resources; however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

TITLE I, PART A

Educator Equity

ESSA SECTION 1112(b)(2) – *Not Applicable to Charters and Single School Districts.*

Describe how the LEA will identify and address, as required under State plans as described in Section 1111(g)(1)(B), any disparities that result in low-income students and minority students being taught at higher rates than other students by ineffective, inexperienced, or out-of-field teachers.

NOTE: In this section, LEAs must identify and address disparities. Tools on the CDEs website (<https://www.cde.ca.gov/pd/ee/peat.asp>) can help with this process. LEAs are required to specifically address the following at comparable sites:

1. What # and % of teachers at sites are inexperienced, misassigned, or out-of-field in relation to:
 - a. Number of low-income students
 - b. Number of minority students
2. Does the LEA have an educator equity gap –
 - a. If yes, must create a plan which must include root cause analysis of the disparity
 - b. A plan must be created with meaningful educational partner engagement.

Educator Equity Data Tables available [here](#).

THIS ESSA PROVISION IS ADDRESSED BELOW:

The LEA provides support intervention for our low-income and minority students taught by the same credentialed teachers that instruct all other students. Our intervention and RSP teachers are all highly qualified as are our paraprofessionals who provide support as well. Our LEA has additional paraprofessionals assigned to students that are significantly at-risk and minority students at each comprehensive school.

Fall River JUSD is located in a rural part of the state. It is difficult to recruit teachers to our area. When we have a teacher that is ineffective, inexperienced or out- field, we work closely with them to provide them with a one-on-one coach and partner them with an instructional leader. We work diligently to have all our our teachers teaching in their field of expertise. All schools within our LEA are very similar in the percentage of minority students as well as students facing economic hardships. Staffing disparities is not a concern for the LEA.

On November 6, 2019, the SBE approved updated definitions for “ineffective” and “out-of-field” teachers to be included in the amended California ESSA Consolidated State Plan.

Term	Definition
Ineffective teacher	An ineffective teacher is any of the following:

	<ul style="list-style-type: none"> • An individual whose assignment is legally authorized by an emergency permit that does not require possession of a full teaching license; or • A teacher who holds a teaching credential but does not possess a permit or authorization that temporarily allows them to teach outside of their credentialed area (misassigned) • An individual who holds no credential, permit, or authorization to teach in California. <p>Under this definition, teachers with the following limited emergency permits would be considered ineffective:</p> <ul style="list-style-type: none"> • Provisional Internship Permits, • Short-Term Staff Permits • Variable Term Waivers <p>Substitute permits or Teaching Permits for Statutory Leave (TSPL) holders serving as the teacher of record</p>
Out-of-field teacher	<p>A credentialed out-of-field teacher is: A credentialed teacher who has not yet demonstrated subject matter competence in the subject area(s) or for the student population to which he or she is assigned. Under this definition, the following limited permits will be considered out of the field:</p> <ul style="list-style-type: none"> • General Education Limited Assignment Permit (GELAP) • Special Education Limited Assignment Permit (SELAP) • Short-Term Waivers • Emergency English Learner or Bilingual Authorization Permits <p>Local Assignment Options (except for those made pursuant to the <i>California Code of Regulations</i>, Title 5, Section 80005[b])</p>
Inexperienced Teacher	A teacher who has two or fewer years of teaching experience.

Parent and Family Engagement

ESSA SECTIONS 1112(b)(3) and 1112(b)(7)

Describe the strategy the LEA will use to implement effective parent and family engagement under Section 1116.

To meet this requirement, LEAs must provide a description of the following:

ESSA Section 1112(b)(3): how the LEA will carry out its responsibilities under paragraphs (1) and (2) of Section 1111(d);

1. How the LEA will involve parents and family members at identified schools in jointly developing Comprehensive Support and Improvement plans
2. How the LEA will involve parents and family members in identified schools in jointly developing the Targeted Support and Improvement plans
3. In the absence of the identification of any schools for Comprehensive Support and Improvement (CSI) or any schools for Targeted Assistance and Intervention (TSI), the LEA may write N/A. This provision will not be reviewed.

ESSA Section 1112(b)(7): the strategy the LEA will use to implement effective parent and family engagement under Section 1116; shall include how the LEA and its schools will build capacity for parent and family engagement by:

1. Describe the LEA parent and family engagement policy, and how it was developed jointly with, agree on with, and distribute to, parents and family members of participating children a written parent and family engagement policy (ESSA Section 1116(a)).
2. Describe how the LEA will provide assistance to parents of children served by the school or local educational agency, as appropriate, in understanding such topics as the challenging State academic standards, State and local academic assessments, the requirements of this part, and how to monitor a child's progress and work with educators to improve the achievement of their children; (ESSA Section 1116(e)(1))
3. Describe how the LEA will provide materials and training to help parents to work with their children to improve their children's achievement, such as literacy training and using technology (including education about the harms of copyright piracy), as appropriate, to foster parental involvement; (ESSA Section 1116(e)(2))
4. Describe how the LEA will educate teachers, specialized instructional support personnel, principals, other school leaders, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school; (ESSA Section 1116(e)(3))
5. Describe how the LEA will to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with other Federal, State, and local programs, including public preschool programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children; (ESSA Section 1116(e)(4))
6. Describe how the LEA will ensure that information related to school and parent programs, meetings, and other activities is sent to the parents of participating children in a format and, to the extent practicable, in a language the parents can understand (ESSA Section 1116(e)(5))
7. Describe how the LEA will provide such other reasonable support for parental involvement activities as parents may request (ESSA Section 1116(e)(14)).
8. Describe how the LEA will provide opportunities for the informed participation of parents and family members (including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children), including providing information and school reports in a format and, to the extent practicable, in a language, such parents understand (ESSA Section 1116(f)).

Also, include how the LEA will align parent involvement required in Section 1116 with the LCAP educational partner engagement process.

THIS ESSA PROVISION IS ADDRESSED BELOW:

Parent and family engagement is extremely important to our LEA. Ongoing efforts, sometimes met with minimal attendance or concern, are always practiced. This unwritten goal is evident in the overall LCAP process, from personal interviews to parent surveys, through ongoing communication regarding school activities.

Schoolwide Programs, Targeted Support Programs, and Programs for Neglected or Delinquent Children

ESSA SECTIONS 1112(b)(5) and 1112(b)(9)

Describe, in general, the nature of the programs to be conducted by the LEA's schools under sections 1114 and 1115 and, where appropriate, educational services outside such schools for children living in local institutions for neglected or delinquent children, and for neglected and delinquent children in community day school programs.

Describe how teachers and school leaders, in consultation with parents, administrators, paraprofessionals, and specialized instructional support personnel, in schools operating a targeted assistance school program under Section 1115, will identify the eligible children most in need of services under this part.

THIS ESSA PROVISION IS ADDRESSED BELOW:

The main components of this program are our Community Day School, which provide small group instruction, differentiated to the individual learner's goal. Students are provided with a small teacher to student ratio thus increasing the odds for successful completion of credits. The Community Day School have an average class size of 6 students. A low percentage of our Community Day School students graduate each year as most of them transfer to the LEA's other alternative program, the continuation school which is accredited. Our LEA's two comprehensive elementary schools also serve many neglected and/or delinquent children in their settings. Due to the small size of our district, staff members have frequent conversations among themselves and with site administration to identify students from poverty or trauma. "Behavior paraprofessionals" are employed at both elementary sites, as well as a district-wide school counselor, to insure students needs are met. Student support is evident in our secondary sites as well. The LEA feels students have abundant resources to insure their success.

Homeless Children and Youth Services

ESSA SECTION 1112(b)(6)

Describe the services the LEA will provide homeless children and youths, including services provided with funds reserved under Section 1113(c)(3)(A), to support the enrollment, attendance, and success of homeless children and youths, in coordination with the services the LEA is providing under the McKinney-Vento Homeless Assistance Act (42 United States Code 11301 et seq.).

THIS ESSA PROVISION IS ADDRESSED BELOW:

The LEA provides transportation support for homeless students when needed to continue attendance at their school of origin. If parents of homeless students cannot afford fuel to transport their students to school, the LEA will provide this for them. The LEA will also provide clothing, including team sports and PE attire, as well as shoes, undergarment wear, and winter jackets. Toiletries are provided for homeless students as well. School supplies, including backpacks, lunch sacks, and water bottles are also provided. Free breakfasts, lunches, and snacks are provided to all Homeless Children. Academic progress is monitored and tutoring provided to insure student success; if Homeless students are struggling, a plan is created to support their growth and success. Title I, Part A Reservation Funds for Homeless students are used to transport students from home to school throughout the year.

Homeless students also receive the same academic opportunities as other students. After school tutoring, schedule adjustments, supplies, and adjusted deadlines are examples of additional support services for homeless students.

Student Transitions

ESSA SECTIONS 1112(b)(8), 1112(b)(10), and 1112(b)(10) (A–B)

Describe, if applicable, how the LEA will support, coordinate, and integrate services provided under this part with early childhood education programs at the LEA or individual school level, including plans for the transition of participants in such programs to local elementary school programs.

Describe, if applicable, how the LEA will implement strategies to facilitate effective transitions for students from middle grades to high school and from high school to postsecondary education including:

- (A) through coordination with institutions of higher education, employers, and other local partners; and
- (B) through increased student access to early college high school or dual or concurrent enrollment opportunities, or career counseling to identify student interests and skills.

THIS ESSA PROVISION IS ADDRESSED BELOW:

The LEA has no early childhood education programs. N/A.

Elementary schools utilize the same grading and grade reporting system as the junior-senior high schools. Middle school classes are "departmentalized" at the sixth grade level to prepare students for the transition. Student agendas are used to help students prepare for the transition to the next level. Sixth grade students visit the junior-senior high schools in the spring for an awareness presentation. Secondary administrators hold a meeting with sixth grade students and families to assist with the transition process. Prior to the start of the school year all incoming junior high students come to an afternoon orientation. A Gear-Up counselor works to assist with the transition between the schools as well.

A number of supports are made to assist with the preparation for the transition from high school to postsecondary education including:

- 1) Academic counseling. The LEA's counselor and secondary administrators are participants of the County-wide college-to-career counseling consortium, which provides direction and focus to secondary school counseling practices. The LEA now "tracks" graduates to determine post-secondary success. The LEA counselor holds individual academic planning with all students, leading to a four year Action Plan for college or career. During their sophomore year, all students participate in California Colleges Education Planning process to insure college and career awareness. All students in the eighth and ninth grade take the PSAT to determine aptitudes; and all eleventh grade students take the ASVAB. The SAT and ACT are offered in the district as well.
- 2) Career Days are held at each secondary site, featuring professionals from colleges and the workplace to share information. Guest speakers regarding careers, colleges, trade schools, and the military also frequent classrooms for more specific presentations. Concurrent enrollment opportunities exist with the local community college, which has a satellite campus at one of the local high schools. Dual enrollment opportunities exist for some students as well.
- 3) As a graduation requirement, all seniors must complete a "Senior Project," which includes a career component. A Workability Program is offered to students with an Individualized Education Plan, to help develop career or workplace skills. Students are connected with local businesses, which may lead to part time employment under "work experience" or summer employment.
- 4) FFA and other leadership opportunities are offered to all students.
- 5) College and Career visitations are offered for students to gain understanding and familiarization with post secondary and career opportunities.
- 6) Student and parent meetings are held for each grade level to insure parents gain understanding about post secondary opportunities. During students senior year, financial aide nights are held to provide insight to the costs of attending college and assistance available. A county-wide competition is held to insure all students complete their FAFSA; one of our schools was recognized in this the competition.

Additional Information Regarding Use of Funds Under this Part

ESSA SECTION 1112(b)(13) (A-B)

THIS ESSA PROVISION IS ADDRESSED BELOW:
